US State Dept Travel Advisory

The US Department of State currently recommends US citizens **DO NOT TRAVEL** to Lebanon due to COVID-19. Reconsider travel to Lebanon due to crime, terrorism, armed conflict, civil unrest, kidnapping, and Embassy Beirut's limited capacity to provide support to U.S. citizens. Some areas have increased risk. Consult its website via the link below for updates to travel advisories and statements on safety, security, local laws, and special circumstances in this country.

Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 90 days after they enter the country even if they do not intend to stay that long. NO Israeli stamp or visa should be found in your passport. Travelers should also make sure they have at least 1 blank page in their passport for any entry stamp that will be required. A visa is required. US citizens will need to get in touch with the country's embassy or nearest consulate to obtain a visa prior to visiting the country.
